With no less than 10 bedrooms, open plan kitchen, spacious living room, private pool, and huge sunset terrace, if you can't decide who to bring, bring them all. With magnificent beauty all around, all your senses are constantly stimulated by nature's own design. Gather round to enjoy life with your tribe, and when you need a moment on your own, seek out a secret space to recover. Nostradamus once said "Ibiza will be Earth's final refuge" – we wonder if he had his eye on this prize.
