Casa Agua is available for holiday rentals, events and film shoots. One of the islands most prestige, modern, secure and architecturally designed luxury villas with panoramic ocean sunset views of seaside Cala Tarida.

**Price From / Night**  
**4.538 €**

Spectacular villa, situated along the western shore near the beautiful village of San Agustin and minutes from the beach at Cala Tarida. The villa features breathtaking sunset views of the Mediterranean Sea, expansive outdoor living spaces, and five deluxe bedrooms. For groups of friends or destination wedding guests seeking a secure, secluded sanctuary on Spain's legendary island of delights, this luxury vacation rental is the ideal choice.

Savor delicious days bathing in the swimming pool and relaxing on chic loungers in the sun. Sip espresso on the rooftop terrace or on the lovely veranda. When the sun is high, withdraw beneath a parasol or into a cool, canopied lounge. Enjoy a game of tennis at the nearby court, and relish a massage in the Bali hut. In the afternoon, prepare meals and cocktails at the outdoor kitchen with grill, pizza oven, and bar. The large alfresco table, with seating for twenty, will accommodate special occasions, while the lounge with firepit is ideal for after-dinner digestives. Lovely lighting and a security system ensure a relaxed atmosphere deep into the night.

A charming stepping-stone path leads across a reflecting pool into the dining room—a beautiful entrée to a memorable feast. The cavernous living room includes a lavish lounge and wood-burning fireplace, while the luminous kitchen is fully equipped with chef-grade appliances and large countertops. The villa's exquisite décor combines naturalistic elegance with contemporary artwork and design, accentuating Ibiza's precious natural beauty and incomparable style.

Casa Agua hosts five stylish super king bedrooms with en-suites ranging from 25 - 50 sqm, each with their own external terrace and bathroom equipped with Molton Brown toiletries, ceiling rain showers, feathered pillows and Egyptian cotton sheets.

The master suite delivers pure luxury with panoramic sea views, freestanding bath, 2m x 2m Emperor bed, Jonathan Adler chaise-longue and bespoke designer mirror wardrobe & island unit.

Each bedroom is fully equipped with individual air conditioning/heating, Sonos or Bose systems, and remote-controlled blackout blinds for sleep and relaxation at any time of day.

Three separate single beds for children available on request.

From your six-car garage, you're just five minutes from the beach at Cala Tarida, as well as from the famous beach and grottoes of Cala Bassa. The town of Cala Tarida is also just five minutes away. Nearby San Agustin is known for being one of the most lovely of the island's small villages.
